Welcome to the Future of Plastic Surgery!

Steven Williams, MD
President
American Society of Plastic Surgeons (ASPS)

Scot Glasberg, MD
President
The Plastic Surgery Foundation (The PSF)

Reza Jarrahy, MD
President
American Society of Maxillofacial Surgeons (ASMS)

Jamil Ahmad, MD
President
The Rhinoplasty Society (TRS)

We cannot wait to welcome you to San Diego! While the primary focus of **Plastic Surgery The Meeting** is on sharing important advances in clinical treatment and practice management, advocacy and collaboration, it never hurts to enjoy that education in one of the best convention venues in America. San Diego offers gorgeous beaches, a tantalizing getaway island (Coronado), one of the finest urban green spaces in Balboa Park (which features 18 museums and 65 miles of walking trails), as well as the famed San Diego Zoo and the classic historical district of Old Town.

Just walk across the street from the convention center, and you will find yourself in the rich culinary and nightlife district known as the Gaslamp Quarter (also home to the San Diego Padres' PetCo Park). A few steps from the Hilton Bayfront headquarters hotel, you will find yourself walking along the waterfront on the route to the Embarcadero, which hosts Seaport Village (a fun shopping and dining district) and the *USS Midway* and Maritime Museum, among other attractions.

We think you're going to love this location as much as the excellent scientific program. As always, PSTM will bring you the best of the best in plastic surgery – we'll feature deep dives into every subspecialty and offer insights into new and coming innovations. We'll welcome surgeons from around the globe to truly provide an international perspective on all that is plastic surgery. We'll also focus on four key themes throughout our programming:

Technology and Artificial Intelligence: We all know that plastic surgery is a specialty born of innovation, and over the past few months, we have seen a true sea change in the technological landscape that stands to provide huge benefits for surgeons. Artificial Intelligence (AI) is in its infancy but growing fast. We will be looking at the new frontiers it offers surgeons and patients on a variety of levels.

Diversity, Equity and Inclusion: We are stronger together. Plastic surgery has always thrived and evolved thanks to a rich array of viewpoints and "differences" to forge new paths for the specialty and our patients.

The Changing Impact of Social Media: The power of social media – and its impact on the way we view ourselves and communicate with each other – is ever-expanding. Social media is driving new patient trends in surgery as well as changing how our practices engage with patients.

Patient Safety: The proof is in the data. Through the studies and registries driven by The PSF, we continue to discover actionable insights to improve everyday care. Our panels at PSTM draw on these to prioritize safe, effective practices that generate optimal patient outcomes.

Join us for what is shaping up to be an exceptional PSTM24 in San Diego as we offer:

- **Four Days of Programming** designed for your entire practice
- **Nearly 200 Live Sessions** and 1,200 abstracts hosted in up to 13 concurrent session rooms
- **75 AMA PRA Category 1 Credits™** and **25 Patient Safety Credits** between live and on-demand programming
- **Hands-On Educational Sessions** with expert faculty, featuring some of the latest products to hit the market
- **Entertaining Social Events and Networking**
- An **Exhibit Hall** filled with products and services to power your practice
- **On-Demand** presentations released a week before the in-person meeting

Visit plasticsurgerythemeeting.com to view the program and events – and to register today.

We'll see you in San Diego Sept. 26-29!

Key Highlights of PSTM24

1 Innovating Today to Change Lives Tomorrow

New procedures. New techniques. Evolving practice models. PSTM24 is the place to learn and teach innovative advances, a meeting to present the state of the industry while exploring potential future advances to open new frontiers in medical care. From breast to body to craniofacial, from face to hand to general reconstruction, PSTM24 offers up to eight concurrent learning sessions and five abstract tracks, with the goal of individualized learning at every level in every subspecialty. From beginner to expert, this is the ultimate meeting for plastic surgeons and their staff with sessions for seasoned experts, early career surgeons, residents and nurse practitioners and physician assistants, as well as specific programming knowledge designed for patient care coordinators, front office personnel, billing specialists, marketing directors and social media coordinators! If you have questions, we have answers. If you have ideas... join us and share!

2 Getting Ready to Join 'The Jetsons'...

Technology is changing the world at an ever-accelerating rate. Last year, artificial intelligence was still largely science fiction. Today, artificial intelligence (AI) has already been integrated into the daily routine for businesses and consumers. This year, the Technology, Innovation, Disruption, and Entrepreneurship Committee will host one hour of TED-like talks to shed light on how to adapt and what to expect. In addition, we'll also feature the ASPS Inventors Challenge, where ASPS members will pitch their innovative product or business ideas in the plastic surgery space to a panel of industry judges for cash prizes to assist them in developing their new devices, tools and technologies and bringing them to market.

3 In Person and On Demand

All attendees will be able to access the on-demand programming and meeting recordings as part of their registration package. While the program will not be live-streamed, those who can not attend PSTM in person will be able to watch more than 70 hours of recorded programming as it is released.

4 San Diego Sights

San Diego is the jewel of the California coast. If you've never been, plan to discover one of your favorite new places in the United States! The city is truly the ultimate meeting destination, with a modern convention center, an amazing restaurant and entertainment district (Gaslamp Quarter) just across the street, and near-perfect weather every day of the year. Unlike many cities, you only have to step outside your hotel to find yourself in the midst of a variety of sights and activities. From the oceanfront Embarcadero to historic neighborhoods to an island getaway (Coronado) in sight from the front door of the convention center, it's the perfect city to Connect, Collaborate and Transform!

5 PSTM Powers Your Practice

With the largest exhibit hall in the specialty, PSTM24 will offer you the best industry insights on how to "power your practice." No other hall offers as many cutting-edge vendors pushing the envelope to provide improved instrumentation and new devices, as well as marketing and business support to help make your practice thrive. Relax in the WPS or Scientific Poster Lounges and visit the ASPS Resource Center for Center Stage talks. Attend the presentations in the Innovation Theater, take advantage of show specials, witness new product launches and talk with company leaders about new and upcoming surgical tech!

6 Register Now for the Close The Loop 5K

Start your team now and get ready for the San Diego edition of the Close The Loop 5K on Friday, Sept. 27. Attendees can be on-site for the run or participate virtually. That means you can create a team made up of your practice staff, your residents, your regional society, or your extended family. The event is also open to the public, and all proceeds support the Breast Reconstruction Awareness campaign.

7 From Patients of Courage to Passing the Torch...

Don't miss kicking the meeting off with Opening Ceremonies, which is always changing - you never know what you will see! This year, our ever-popular Patients of Courage Awards will highlight Opening Ceremonies with stories to remind all of us why we got into plastic surgery in the first place. Our clinical sessions will feature special topic panels focused on technology, innovation and patient safety from the ASPS and PSF presidents, as well as a special lecture from the ASPS Trustees. And when it all winds down, join us in the Exhibit Hall after lunch on Sunday for Closing Ceremonies, which will feature both recognition of PSTM24 achievements and a celebration of the year to come. *Closing Ceremonies is supported by Allergan Aesthetics, an AbbVie company, through their Sapphire Premier sponsorship.*

8 Come Together: PSTM is About Community

PSTM24 will provide more ways than ever for you to reconnect with friends and colleagues as well as make new ones. The Welcome Reception will be an outdoor Plasti-chella Festival, with a special secret guest DJ and mouth-watering local food-tasting venues. This year, the Plastic Surgery Foundation and the International Receptions have combined to bring you Casino Royale, a night of games and libations. And we've secured two big blocks of concert tickets for the Green Day/Smashing Pumpkins concert just across the street from the convention center at PetCo Park. Plus, for the first year, we'll be hosting a SIG-Palooza, which will bring together all of the various ASPS Special Interest Groups (SIGs) for a fun and interactive reception.

One Company. More Solutions.

YOUR PARTNER IN REGENERATIVE TISSUE TECHNOLOGIES

Explore the breadth and depth of Integra's tissue products and discover the benefits of one company with more solutions.

Integra's regenerative tissue technology offering has grown from its first product, Integra Dermal Regeneration Template, into a full portfolio of regenerative tissue technologies for soft tissue reconstruction.

- REGIONAL LABS**
 Conducted in small group learning settings, our labs provide training opportunities on complex wound reconstruction topics and surgical techniques
- NATIONAL COURSES**
 These courses provide multiple cadaveric lab opportunities to help trainees hone their surgical skills and enhance their understanding of our medical technologies, procedures, and solutions
- SOCIETY MEETINGS**
 We partner with premier global organizations to offer labs in conjunction with society meetings that permit trainees to gain practical learning experience in a simulated cadaver lab environment

9:30 - 10:30 a.m. | Residents Bowl Semi-Finals & Finals

12:00 - 1:30 p.m. | Closing Ceremonies in the Exhibit Hall

ASPS / MSS Migraine Surgery Symposium (Online)

AMERICAN SOCIETY OF PLASTIC SURGEONS®

Saturday, Sept. 14
7:30 a.m. - 4:00 p.m. (CDT)

PROGRAM CHAIRS:
Jeffrey Janis, MD, and Bahman Guyuron, MD

Migraine surgery continues to be one of the hottest topics in plastic surgery. The American Society of Plastic Surgeons and The Migraine Surgery Society are excited to offer a one-day Migraine Surgery Symposium that will dive into the science, anatomy and surgical treatment of the trigger sites.

This online program will include didactic presentations from noted experts and lively panel discussions that make this educational experience second to none.

Learning Objectives

Upon completion of this activity, participants should be able to:

- Identify migraine headaches and related medication overdoses.
- Identify the anatomy of supraorbital, supratrochlear, zygomaticotemporal and auriculotemporal nerve trigger sites.
- Plan and demonstrate the surgical treatment of the trigger sites (including frontal and temporal, rhinogenic, auriculotemporal, and greater and lesser occipital).

This activity has been approved for **AMA PRA Category 1 Credit™**. Please see page 24 for full accreditation information.

Registration Fees

An additional registration fee is required for The Migraine Surgery Symposium. Registration fees vary by member type.

The MSS symposium will be recorded this year. The program is subject to change. A recording of the course will be available to registrants.

ASPS/TRS Rhinoplasty Symposium with Cadaver Lab

AMERICAN SOCIETY OF PLASTIC SURGEONS®

Wednesday, Sept. 25
9:00 a.m. - 4:00 p.m.

PROGRAM CHAIRS:
Robert Gilman, MD, DMD, and Ashkan Ghavami, MD

Join us LIVE in San Diego for this year's Rhinoplasty Symposium! Take a deep dive into one of the cornerstones of plastic surgery as ASPS teams up with The Rhinoplasty Society to offer this amazing full-day program that will include a cadaver lab.

This year's symposium brings together experts in the field to discuss a hybrid approach to rhinoplasty utilizing precision and preservation techniques with an emphasis on optimizing patient outcome results. Learn how to manage and prevent complications and walk away with key rhinoplasty pearls and pitfalls to avoid.

This live, in-person event reignites personal connections and provides valuable networking opportunities with your fellow colleagues. Breakfast, lunch and transportation is provided for those attending this live event.

Learning Objectives

Upon completion of this activity, participants should be able to:

- Plan and demonstrate a hybrid approach to rhinoplasty.
- Identify complication prevention and management for optimal patient outcomes.

This activity has been approved for **AMA PRA Category 1 Credit™**.

Please see page 24 for full accreditation information.

Registration Fees

PSTM registration is required to register and participate in the Rhinoplasty Symposium with Cadaver Lab. An additional registration fee is required for this program. Registration fees vary by member type.

This symposium will not be recorded. The program is subject to change.

PRICING AND INFO:

PlasticSurgeryTheMeeting.com

Learning Objectives

Upon completion of this activity, participants should be able to:

- Identify emerging advances in plastic surgery affecting the diagnosis and delivery of treatment and assess potential applications.
- Translate expanded knowledge into practice to improve patient outcomes and satisfaction.

Registration Fees

PSTM registration is required to register and participate in Hot Topics. An additional registration fee is required for Hot Topics. Registration fees vary by member type.

A boxed lunch will be provided for those attending the live Hot Topics session.

Hot Topics content highlights emerging science, the latest data and new trends within plastic surgery. Given the developing data, Hot Topics is not accredited for CME.

PRICING AND INFO:

PlasticSurgeryTheMeeting.com

HOT TOPICS

Wednesday, Sept. 25
12:00 - 5:00 p.m.

San Diego Convention Center

PROGRAM CHAIRS: Jason Pozner, MD, and Barry DiBernardo, MD

Get out in front of the changes taking place in our industry by becoming a part of the discussions surrounding the latest cutting-edge research and applied technology.

Join us from noon to 5 p.m., Wednesday, Sept. 25, at the San Diego Convention Center prior to the formal start of PSTM24 programming, as the experts in our field discuss their findings and experiences, including:

- Imaging
- Practice Transitions
- Regenerative Medicine
- Fat Treatment
- Devices
- Fillers/Toxins

Special Interest Group Events

WPS Lounge

Relax and connect with colleagues at Plastic Surgery The Meeting in the WPS Lounge, which will be open in the San Diego Convention Center during Exhibit Hall hours.

The WPS Lounge is supported by CareCredit

WPS Sound Bath

Start your day with the harmonic cleansing experience of a Sound Bath, brought to you by the Women Plastic Surgeons Forum. Connect with colleagues and find your inner calm and focus as the meditative sounds wash over you.

7:00 - 8:00 a.m. | Saturday, Sept. 28
Hilton San Diego Bayfront

\$25

The WPS Sound Bath is supported by RTI Surgical

WPS Luncheon

The WPS Luncheon is back for 2024! Join the Women Plastic Surgeons Forum for an engaging luncheon at the Hilton San Diego Bayfront. This will be a unique opportunity to network with your colleagues.

12:30 - 2:00 p.m. | Saturday, Sept. 28
Hilton San Diego Bayfront

\$85 for all member categories
 \$100 late registration

The WPS Luncheon is supported by Allergan Aesthetics, an AbbVie company

WPS Reception

Engage with friends, make new connections and network with other female plastic surgeons from around the globe.

6:00 - 7:00 p.m. | Friday, Sept. 27
Hilton San Diego Bayfront

Special Interest Group Events

PRIDE Reception

Don't miss the Fourth Annual PRIDE Reception!

Celebrate and connect with the community for a fun and engaging evening of inclusivity and support.

6:00 - 7:00 p.m. | Friday, Sept. 27
Hilton Bayfront

All PSTM24 attendees are welcome.

YPS

YPS Networking Reception

Network with other young plastic surgeons, engage with friends and make new connections.

6:00 - 7:00 p.m. | Friday, Sept. 27
Hilton Bayfront

The YPS Networking Reception is supported by Allergan Aesthetics, an AbbVie company

Special Interest Groups (SIGs) are taking off at ASPS and there is no better way to get to know them than at SIG-Palooza! All ASPS members are invited to attend and get to know these new SIGs. We'll host receptions for our special interest groups (SIGs) all in one large area, with dedicated sections for ASPS Military Members, ASPS Affiliate Members, Plastic Surgeons of Chinese Descent, Jewish Plastic Surgeons as well as WPS, YPS and PRIDE.

You must be an ASPS Active, International, Military, Candidate, Life, Affiliate or Resident and Fellows Forum Member to attend.

7:00 - 8:00 p.m. | Friday, Sept. 27 | Hilton San Diego Bayfront

Race to Raise Awareness!

FRIDAY | 7:00 AM | Sept. 27, 2024
Embarcadero, San Diego, CA

Close The Loop 5K Registration is Open!

Profits generated by the Close The Loop 5K will be awarded to organizations focused on awareness and assistance efforts of women fighting breast cancer or pursuing breast reconstruction surgery.

We believe every woman should have access to her choice of breast reconstruction options.
Get your running shoes ready and help us make a difference in patient care.

Register Early To Receive Discounted Rates!

Every participant will receive a race packet that will include a t-shirt and a participation medal.
The top fundraising teams will be recognized at PSTM's Closing Ceremonies.

REGISTER NOW:
RunSignUp.com/BRA5K

Help us raise \$100,000
this year to support women and breast reconstruction awareness.

CASINO ROYALE

The PSF and International Reception

Friday, Sept. 27 | 8-11 p.m.

Come roll the dice and contribute to a good cause: Plastic Surgery! Proceeds will help fund The Plastic Surgery Foundation's grant and service initiatives.

A rendezvous draped in the allure of clandestine elegance. A world where every moment is a gamble and entertainment enchants the senses. Casino Royale will delight whether you like your drink shaken or stirred.

Tickets are \$295 for PSTM24 registrants and include game chips. Get yours today as part of your registration package for the meeting.

Senior Residents Conference

Wednesday, Sept. 25

8:00 a.m. - 3:30 p.m.

San Diego Convention Center

CO-CHAIRS:

Phuong Nguyen, MD

Brett Phillips, MD, MBA

Raj Sawh-Martinez, MD

SRC

ASPS PLASTIC SURGERY
SENIOR RESIDENTS
CONFERENCE

In cooperation with:

YPS

Gain a better understanding of what to expect and how to prepare for life after residency. Learn about the financial, legal and ethical issues of establishing and running a practice.

Presentations that you need to see:

- ABPS Message to Future Plastic Surgeons
- Starting a Family While Being a Plastic Surgeon
- Contract Negotiations

Learn from experienced faculty on these vital topics:

- Networking Pearls to Set Your Career Path in the Right Direction
- Choosing the Right Employment Model for You
- Tips for Building and Marketing a Practice

Your Registration Fee

(\$375 RFF/\$475 non-RFF members) includes:

- Exclusive admittance to all meals and educational sessions focused on Senior Residents scheduled on Wednesday, Sept. 25 (including two receptions!)

What's New This Year?

- Effective techniques, advice, and resources to help you select the right employment model for you
- Strategies for successful networking during your job search and throughout your career
- Tips to achieve work/life balance during board collection

SRC Resident Happy Hour

Sponsored by Advanced Reconstructive Surgery Alliance (ARSA)

3:30 - 4:30 p.m. (For registrants of SRC only)

Wednesday, Sept. 25 | Room 32AB Foyer

Resident Networking/Mentorship Reception

6:00 - 7:00 p.m.

Wednesday, Sept. 25

Location: Hilton San Diego Bayfront

SRC and Resident Networking/Mentorship Reception are supported by Advanced Reconstructive Surgery Alliance (ARSA) and Solventum.

RESIDENTS BOWL

2024

Don't miss this year's Residents Bowl occurring every day in the Exhibit Hall, with the final victory match scheduled on Sunday at 9:30 a.m.

Residents Bowl is supported by: Advanced Reconstructive Surgery Alliance (ARSA) and Solventum.

SURF'S UP IN San Diego

Dining in the Gaslamp

The Gaslamp Quarter has grown up just outside of the San Diego Convention Center as a 16-block premier attraction of the city. With trendy boutiques, nightclubs, upscale and casual dining options, gastropubs, dive bars, arcades and in the shadow of PetCo Park, it is THE place to go after a busy day on the convention floor. You can find dining options ranging from world-class Italian to Caribbean to Japanese to Mexican; you'll find virtually every cuisine represented in just a few blocks. Highlights include:

- Mezé Greek Fusion
- Karina's Cantina
- Nobu San Diego
- Havana 1920
- Toro
- The Grant Grill
- Barleymash
- Altitude Sky Lounge

Balboa Park: Museums, Theater & More

You won't want to leave San Diego without finding some time to visit Balboa Park, known as the "Smithsonian of the West." While it features an oasis of 450 palms, a butterfly garden and rose and cactus gardens, this is more than a "park." Amid its 1,200 acres you'll find a world-famous zoo, 18 museums and performing arts venues. Don't miss:

- Centro Cultural de la Raza
- Comic-Con Museum
- Institute of Contemporary Art
- Air and Space Museum
- Model Railroad Museum
- The Old Globe theater
- Spreckels Organ Pavilion (world's largest outdoor pipe organ!)

San Diego has long had a reputation as a vibrant city known for outstanding food, great weather and beautiful beaches. You will find a wealth of experiences literally just across the street from the Convention Center.

Sightseeing

San Diego offers the beauty of the bay as well as a host of beautiful parks and outdoor excursions if you need to "get away" for a while. You can walk along the Embarcadero for a seaside view or take an Old Town Trolley Tour to see historical sights. Or, if you want to go a little farther afield, you can hike along the world-famous coastline of Torrey Pines State Natural Reserve. Consider visiting:

- Old Town State Historic Park
- USS Midway Museum
- Presidio Park
- Little Italy
- Chinatown
- SeaWorld
- San Diego Zoo
- Legoland
- City Lights Night Tour
- Mission Beach
- Coronado Island

Breweries

San Diego is home to some of the most iconic breweries, including Ballast Point and Stone Brewing (there's a Stone tap house in the Gaslamp, but take a quick cab to Liberty Public Market to visit their World Bistro & Gardens.) Here are just a few area options:

- Ballast Point Brewing
- Half Door Brewing
- Karl Strauss Brewing
- Stone World Bistro & Gardens
- Mission Brewery
- Mike Hess Brewing
- Coronado Brewing Company
- The Church by Lost Abbey

Unlock the soundtrack to your San Diego adventure – turn the page and discover the concert experience that will elevate your visit to unforgettable heights!

THE PSF CONCERT TO END SEPTEMBER!

On Saturday, Sept. 28, Green Day's "Saviors Tour" will come to PetCo Park, right across the street from the San Diego Convention Center.

The PSF has purchased Suite and Level 100 tickets for the concert, which also features Smashing Pumpkins, Rancid and the Linda Lindas. Purchase your tickets as part of your PSTM24 Registration!

PetCo Park | Saturday, Sept. 28 | 5:30 - 11 p.m.

Spend an evening rockin' out in PetCo Park while supporting The Plastic Surgery Foundation.

TWO PSF EXPERIENCE OPTIONS AVAILABLE:

Suite tickets

\$450

Includes admission, limited edition t-shirt, food and beverage, private bathroom, PSF donation.

100 level seats

\$230

Includes admission, limited edition t-shirt and PSF donation.

Max 10 tickets per individual attendee.

Buy Your Tickets Now to the Ultimate PSF Concert Through the PSTM Registration Portal:

A portion of your ticket purchase may be tax deductible to the extent allowed by law. Please consult with your tax advisor with guidance.

Exhibit Hall

The PSTM24 Exhibit Hall will be open Friday, Sept. 27, through Sunday, Sept. 29, in the San Diego Convention Center. This year we look to bring some of the world's most innovative and essential plastic surgery-related exhibitors to showcase their products and services and to bring your practice to the next level. We have designed an incredible exhibit experience that will allow you to find everything you are looking for in one place.

Visit PlasticSurgeryTheMeeting.com/Exhibit-Hall and search by: Company Name, Product Category, Booth Number or Keyword/Product Name. Don't see a vendor you are looking for? Let us know by emailing exhibits@plasticsurgery.org.

Hours:

Friday, Sept. 27 9:30 a.m. - 5:00 p.m.
Saturday, Sept. 28 9:30 a.m. - 5:00 p.m.
Sunday, Sept. 29 9:30 a.m. - 1:30 p.m.

Exhibit Hall

Don't miss these key ASPS attractions when you visit the hall:

ASPS Resource Center

Visit ASPS representatives from Member Services, Membership, ASPS EdNet, Practice Management Products, ASPS Affiliated Organizations, PRS, PSN, Registries, Quality, Health Policy and more at the ASPS Resource Center. Stop by and take advantage of onsite promotions and get answers to your questions on Membership, CME reporting and all things ASPS.

Residents Bowl Arena

Don't miss the highly competitive Residents Bowl taking place Friday - Sunday in the Exhibit Hall. Will reigning champs Ohio State University triumph again? Stop by the arena each day to see who will bring home the coveted trophy this year!

ASPS EdNet

ASPS EdNet Digital Learning is now in the ASPS Resource Center! Embark on an exciting journey through the realm of digital education with Podcasts, Quick Hits, SNIPS and more!

- PSTM on-demand sessions for CME (complimentary with registration!)
- Enhanced features in the Resident Education Center (REC)
- Self-assessment opportunities like the ISE, Aesthetic Life-Long Learning Exam and Comprehensive Self-Assessment Test (CSAT).

Don't miss out! Visit us and join the future of digital education at ASPS!

Innovation Theatre

Premier supporters and exhibitors will be presenting 45-minute talks all weekend about their products and services. Visit the Innovation Theatre to learn how their innovations can enhance your practice.

PSTM24 Exhibit Hall Admission requirements can be found on the PSTM website Exhibit Hall page.

[Visit PlasticSurgeryTheMeeting.com/Exhibit-Hall](https://PlasticSurgeryTheMeeting.com/Exhibit-Hall)

ASPS Inventors Challenge: Forging the Future of the Specialty at PSTM!

The **ASPS Inventors Challenge** (formerly *Innovation Challenge*) returns to PSTM this year with a \$10,000 prize!

Join us at 4 p.m. on Friday, Sept. 27, 2024, as contestants pitch their innovative plastic surgery product ideas LIVE to a panel of business expert judges. The goal is to find and support new viable plastic surgery product/business ventures that will improve the practice of plastic surgery.

WANT TO MOVE FROM THE AUDIENCE TO THE STAGE?

If you have an innovative idea, product or service that could impact the future of plastic surgery, apply by May 31, to be one of the ASPS Startup Showcase contestants battling to kick-start their pitch into reality! You must be the developer of the product/innovation or a key member of the development team, and you must be able to present at PSTM24 in San Diego. Submit your application today for an opportunity to compete:

PlasticSurgeryTheMeeting.com/Inventors

Application submissions will be evaluated by members of the TIDE Committee. The top-scoring applicants will be invited to participate in the live ASPS Inventors Challenge presentation at PSTM24. The final round winner will be awarded \$10,000 to continue developing their innovation.

The Inventors Challenge – along with our TIDE Talks (on Saturday, Sept. 28 at 5 p.m.) from the ASPS Technology, Innovation, Disruption and Entrepreneurship (TIDE) Committee – will give you a glimpse of some of the most interesting new ideas on the horizon for your OR.

TIMELINE

- ▶ Call for Initial Applications Closes: **May 31, 2024**
- ▶ Full Application Due Date: **June 15, 2024**
- ▶ Determination of Finalists: **July 20, 2024**
- ▶ Plastic Surgery Innovation Challenge: **Sept. 27, 2024 at 4 p.m. CT**

Hotel and Travel

Plastic Surgery The Meeting is pleased to offer meeting attendees discounted hotel and transportation rates for travel to and from San Diego. We encourage you to take advantage of the discounts offered and make reservations early, as availability is on a first-come, first-served basis.

Official Housing Partner

EventSphere is the housing bureau for Plastic Surgery The Meeting 2024.

Be aware of hotel booking scams!

Meeting attendees and exhibitors are often contacted by companies claiming they represent ASPS and offering assistance with hotel reservations for Plastic Surgery The Meeting in San Diego. Hotel reservations should only be made directly with EventSphere. To ensure your private information is secured and protected, do not provide your credit card information to anyone other than EventSphere for PSTM24. Look for the official logo prior to making reservations.

Headquarters Hotel

Hilton San Diego Bayfront, located at 1 Park Boulevard, is the headquarters (HQ) hotel for Plastic Surgery The Meeting.

Deposit

Neither ASPS nor EventSphere require a deposit. However, hotels may charge your credit card a two-night room and tax deposit in advance to secure discounted rates and reservation.

Confirmation

Confirmations are sent via email at the time of reservation; please review for accuracy once received. If the confirmation email is not received within 24 hours of making your reservations, please contact EventSphere.

Changes/Cancellations/Requests

All changes and cancellations must be made directly with EventSphere and up to seven (7) business days prior to scheduled arrival. An acknowledgment of your request will be emailed within 24 business hours of receipt. You will be asked to provide room preferences when making your reservation. Hotels will assign specific room types upon check-in based on availability.

Air Travel

San Diego International Airport (SAN), formerly known as Lindbergh Field, is located just three miles northwest of downtown San Diego. It offers non-stop flights to most major U.S. cities and around the world.

United Airlines offers a discount on qualifying flights: Use Meeting Code: ZP7Z781171 or call (800) 426-1122.

Ground Transportation

Hotel Shuttle Bus

ASPS is providing complimentary hotel shuttle bus service.

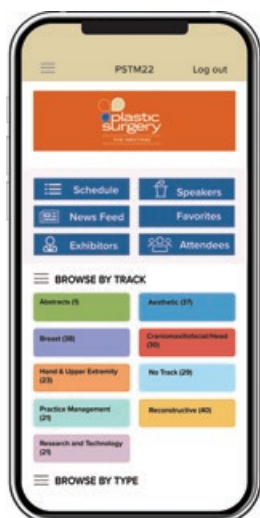

Taxi Service/Ride Share

Taxi services are available at the San Diego Convention Center.

| Official Hotels | Distance | Shuttle Bus |
|---|-----------|-------------|
| Hilton San Diego Bayfront 1 Park Blvd. Headquarters Hotel | 0.3 miles | Walking |
| Hilton, San Diego Gaslamp Quarter 401 K Street | 0.2 miles | Walking |
| Hard Rock Hotel San Diego 207 5th Ave | 0.2 miles | Walking |

| Hotel Indigo Gaslamp 509 9th Ave. | 0.6 miles | Shuttle Bus |

The deadline for reserving hotels is Tuesday, Aug. 27, 2024.

Download the ASPS Mobile App Put PSTM in the Palm of Your Hand

Download the **ASPS Mobile App** now and be ready to access the **#PSTM24** section when it goes live this fall to make the most of your meeting:

- Search and filter to find sessions, speakers and exhibitors
- Manage your schedule for the meeting
- Complete CME evaluations and view course handouts
- View the Exhibit Hall Map
- Receive show updates and special announcements during PSTM... and so much MORE!

Download the App to your iPhone, iPod or Android device from the **iTunes App Store** or **Google Play**.

From the #1 Breast Implant Brand

MENTOR™ MEMORYGEL™ XTRA BREAST IMPLANTS ARE

designed to perform

Results from the

GLOW

study*

0% — 1.5% — 100%

Rupture, malposition, wrinkling, infection^{1*} Capsular contracture¹ Commitment to positive patient outcomes

- Delivered exceptional patient outcomes, with 0% rupture, infection, and malposition^{1*}
- Performed through design, minimizing wrinkling, rippling, and related complications^{1*}
- Provided high patient satisfaction, with increased well-being at 1 year after implantation^{1†}

Mentor is the first and only implant manufacturer to share 3-year post-approval implant data from their MENTOR™ MemoryGel™ Xtra portfolio of implants.

Behind Your Patients.
Behind Your Practice.
Behind All Breasts™.

Help each woman feel like
the best version of herself.

*For the primary augmentation cohort, not including re-operation. No instances of MENTOR™ MemoryGel™ Xtra displacement/malposition or infection were reported in any cohort at 3 years using the Kaplan-Meier estimated cumulative incidence rate.¹

†Measurement of patient well-being based on measured BREAST-Q score changes from before operation (baseline) to the 1-year follow-up point.¹

STUDY DESIGN

The MemoryGel™ and MemoryShape™ Combined Cohort Clinical Study (NCT02919592) is a prospective, open-label study evaluating post-approval clinical performance and safety of MENTOR™ MemoryGel™ and MENTOR™ MemoryShape™ Breast Implants produced by Mentor Worldwide LLC, as indicated for primary or revisional breast augmentation and primary or revisional breast reconstruction. The study includes both smooth and Siltex microtextured devices. All study sites obtained IRB approval from either Sterling IRB, University of Tennessee Health Science Center IRB, or Providence Health & Services IRB. IRB approval for each site was obtained from Sterling IRB, University of Tennessee Health Science Center IRB, or Providence Health & Services IRB. Patients were enrolled in 4 cohorts (n=3608): primary breast augmentation (n=2396), revisional breast augmentation (n=448), primary breast reconstruction (n=226), and revisional breast reconstruction (n=61). A subset of females receiving MENTOR™ MemoryShape™ Breast Implants were enrolled in a retrospective manner and then followed prospectively within the study to the 10-year anniversary of their index breast implant procedure. Participants who met requirements for other aesthetic procedures, excluding silicone implants of any kind, were enrolled as a comparator.

IRB=Institutional Review Board.

WARNING:

- Breast implants are not considered lifetime devices. The longer people have them, the greater the chances are that they will develop complications, some of which will require more surgery.
- Breast implants have been associated with the development of a cancer of the immune system called breast implant-associated anaplastic large cell lymphoma (BIA-ALCL). This cancer occurs more commonly in patients with textured breast implants than smooth implants, although rates are not well defined. Some patients have died from BIA-ALCL.
- Patients receiving breast implants have reported a variety of systemic symptoms such as joint pain, muscle aches, confusion, chronic fatigue, autoimmune diseases and others. Individual patient risk for developing these symptoms has not been well established. Some patients report complete resolution of symptoms when the implants are removed without replacement.

The sale and distribution of MENTOR™ Breast Implant Devices are restricted to users and/or user facilities that provide information to patients about the risks and benefits of the device prior to its use in the form and manner specified in approved labeling to be provided by Mentor Worldwide LLC. Important information: Prior to use, refer to the Instructions for Use supplied with this device for indications, contraindications, side effects, warnings and precautions. Caution: US law restricts this device to sale by or on the order of a physician.

IMPORTANT SAFETY INFORMATION:

MENTOR™ MemoryGel™ Breast Implants and MENTOR™ MemoryShape™ Breast Implants are indicated for breast augmentation in women at least 22 years old or for breast reconstruction. Breast implant surgery should not be performed in women with active infection anywhere in their body, with existing cancer or pre-cancer of their breast who have not received adequate treatment for those conditions, or who are currently pregnant or nursing.

Breast implants are not lifetime devices and breast implantation may not be a one-time surgery. The chance of developing complications increases over time. The most common complications for breast augmentation and reconstruction with MemoryGel™ Implants include any reoperation, capsular contracture, and implant removal with or without replacement. The most common complications with MemoryShape™ Implants for breast augmentation include reoperation for any reason, implant removal with or without replacement, and ptosis. A lower risk of complication is rupture. The health consequences of a ruptured silicone gel breast implant have not been fully established. MRI screenings are recommended three years after initial implant surgery and then every two years after to detect silent rupture. Breast implants are also associated with the risk of breast implant-associated anaplastic large cell lymphoma (BIA-ALCL), an uncommon type of lymphoma. An individual's risk of developing BIA-ALCL with MENTOR™ Breast Implants is low based on the incidence of worldwide cases.

For MemoryGel™ Implants, patients should receive a copy of Important Information for Augmentation Patients about MENTOR™ MemoryGel™ Breast Implants or Important Information for Reconstruction Patients about MENTOR™ MemoryGel™ Breast Implants. For MemoryShape™ Implants, patients should receive a copy of Patient Educational Brochure – Breast Augmentation with MENTOR™ MemoryShape™ Breast Implants or Patient Educational Brochure – Breast Reconstruction with MENTOR™ MemoryShape™ Breast Implants, and a copy of Quick Facts about Breast Augmentation & Reconstruction with MENTOR™ MemoryShape™ Breast Implants. Your patient needs to read and understand the information regarding the risks and benefits of breast implants, with an opportunity to consult with you prior to deciding on surgery.

For detailed indications, contraindications, warnings, and precautions associated with the use of MemoryGel™ Implants and MemoryShape™ Implants please refer to the Instructions for Use (IFU) provided with each product, or visit www.mentorwwllc.com.

International Highlights of PSTM24

Global Partner Societies

The American Society of Plastic Surgeons is thrilled to extend a heartfelt welcome to our esteemed Global Partners, representing nearly 50 nations, as honored guests at Plastic Surgery The Meeting in San Diego.

Each national plastic surgery society with which ASPS has signed a Memorandum of Understanding (MOU) has achieved high standards in plastic surgery – and in a mutual recognition of standards, governance and ethics, all members of each national society are eligible to join the other as an International Member.

International Women Plastic Surgeons

The IWPS Forum represents and advocates for the interests and concerns of female plastic surgeons worldwide. **The IWPS will be welcomed at the WPS Reception on Friday, Sept. 27.**

International Residents Forum

The ASPS International Residents Forum gives international residents the opportunity to contribute to ongoing projects within ASPS. **The IRF will be welcomed at the Resident Networking/Mentorship Reception on Wednesday, Sept. 25.**

International Young Plastic Surgeons

The ASPS International Young Plastic Surgeons (iYPS) Forum helps develop synergies that will improve the future of plastic surgery around the world. **The iYPS will be welcomed at the YPS Reception on Friday, Sept. 27.**

International Center

All international attendees will have access to the ASPS International Center as their hub meeting and information point. The Center will be in the San Diego Convention Center, outside the Exhibit Hall, from Friday - Saturday (9:30 a.m. - 5 p.m.) and Sunday (9:30 a.m. - 1:30 p.m.).

SAVE THE DATE – April 3-5, 2025
ASPS Global Plastic Surgery Congress
Buenos Aires, Argentina

Intended Audience

Plastic Surgery The Meeting 2024 is intended for plastic surgeons, residents and paramedical professionals interested in translating expanded knowledge into practice for the improvement of patient outcomes in plastic and reconstructive surgery.

Learning Objectives

At the conclusion of this activity, participants will be able to:

- Identify current and emerging issues and advances affecting the diagnosis and delivery of treatment for plastic surgical problems and assess their potential practice applications.
- Incorporate into practice technical knowledge in state-of-the-art procedures and drug and medical device uses.
- Communicate current practice management and regulatory issues necessary for the efficient and safe delivery of patient care.
- Translate expanded knowledge into practice for the improvement of patient outcomes and satisfaction.

Accreditation Statement

The American Society of Plastic Surgeons® (ASPS®) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Designation Statement

The American Society of Plastic Surgeons designates this other activity (live virtual meeting) for a maximum of **75.0 AMA PRA Category 1 Credit(s)™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Of the **75.0** credits, **25** credits have been identified as applicable to patient safety.

Disclosure Policy

The American Society of Plastic Surgeons (ASPS) requires all instructors, planners, reviewers, managers, and other individuals in a position to control or influence the content of an activity to disclose all relevant financial relationships or affiliations. All identified conflicts of interest must be resolved and the educational content thoroughly vetted by ASPS for fair balance, scientific objectivity, and appropriateness of patient care recommendations. ASPS also requires faculty/authors to disclose when off-label/unapproved uses of product are discussed in a CME activity or included in related materials.

Disclaimer: All relevant financial relationships for planners, faculty, and others in control of content (either individually or as a group) are reviewed by the ASPS Continuing Education Committee and have been appropriately mitigated.

Additional Programs

Migraine Surgery Symposium CME Information

Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Society of Plastic Surgeons (ASPS) and the Migraine Surgery Society (MSS). The American Society of Plastic Surgeons (ASPS) is accredited by the ACCME to provide continuing medical education for physicians.

Designation

This activity has been approved for **AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Rhinoplasty Symposium with Cadaver Lab CME Information

Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Society of Plastic Surgeons (ASPS) and The Rhinoplasty Society (TRS). The American Society of Plastic Surgeons (ASPS) is accredited by the ACCME to provide continuing medical education for physicians.

Designation

This activity has been approved for **AMA PRA Category 1 Credit™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physician, Physician Assistant, Nurse Practitioners – CME Credit Information

The American Society of Plastic Surgeons (ASPS) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education credit for all educational programs.

In 2024, ASPS received accreditation with commendation from ACCME, a designation awarded to organizations that demonstrate compliance in all criteria and accreditation policies. ACCME commended the Society for meeting all accreditation requirements, and for demonstrating that it is a learning organization and a change agent for physicians and the patients it serves. In addition, the Society demonstrates an engagement with its environment in support of physician learning and change that is a part of a system for quality improvement.

Disclaimer: ASPS is not responsible for providing recertification credentialing for the below certification(s). It shall be the responsibility of the individual to provide information to the appropriate corresponding recertification organization(s) for conversion of continuing medical education credit(s). All questions should be directed to the corresponding organization(s) as indicated below for the most current information on recertification.

PHYSICIAN CME

AMA PRA Category 1 Credit(s)™

The American Society of Plastic Surgeons (ASPS) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education credit for all educational programs.

NURSE PRACTITIONERS CREDIT

American Academy of Nurse Practitioners Certification Board (AANPCB): Contact Hours: AMA PRA Category 1 Credit(s)™

The AANPCB accepts **AMA PRA Category 1 Credit(s)™** towards recertification. **1 AMA PRA Category 1 Credit™** = 1 contact hour. For more information visit the FAQs on AANPCert.org or call (855) 822-6727.

American Nurses Credentialing Center (ANCC) Nurse Practitioner Certification: AMA PRA Category 1 Credit(s)™

The ANCC accepts **AMA PRA Category 1 Credit(s)™** towards recertification. **1 AMA PRA Category 1 Credit™** = 1 contact hour. For more information visit the ANCC FAQs on NursingWorld.org or call (800) 284-2378.

PHYSICIAN ASSISTANT CREDIT

National Commission on Certification of Physician Assistants (NCCPA): AMA PRA Category 1 Credit(s)™

National Commission on Certification of Physician Assistants (NCCPA): **AMA PRA Category 1 Credit(s)™**

The NCCPA accepts **AMA PRA Category 1 Credit(s)™** towards recertification. Visit the NCCPA website for more information or call (678) 417-8100.

INTERNATIONAL MEMBER CME RECOGNITION AGREEMENTS

In support of global learning, the American Medical Association (AMA) has mutual recognition agreement of continuing medical education (CME) credit with:

European Union of Medical Specialists (UEMS)/ European Accreditation Council for Continuing Medical Education (EACCME)

For live events and e-learning activities from accredited providers from the United States, certified for **AMA PRA Category 1 Credits™**, are eligible for conversion of **AMA PRA Category 1 Credits™** into ECMECs.

Visit Edhub.AMA-ASSN.org or the UEMS.eu websites for more information. For all other countries, please check with your nation's credentialing organization.

PLATINUM

solventum

3M Health Care is now Solventum! At Solventum, we enable better, smarter, safer healthcare to improve lives. We're a new company with a long legacy of creating breakthrough solutions for our customers' toughest challenges. And we're just getting started.

As part of Johnson & Johnson MedTech, and with 4 decades of experience, Mentor leads through safety, quality, and innovation in Breast Aesthetics. Mentor's comprehensive portfolios of tissue expanders and breast implants meet the needs of every woman. The #1 Brand in the United States and the global leader for nearly 5 years, Mentor puts women and surgeons at the heart of our innovation. Mentor, Behind All Breasts™.

GOLD

The BD surgical portfolio, leadership and partnerships are focused on improving the standard of care in plastic and reconstructive surgery. BD offers solutions from hemostats to wound irrigation, and the GalaFLEX™ Scaffold with P4HB technology to provide soft tissue support in plastic surgery procedures.

Integra LifeSciences, headquartered in Princeton, New Jersey, is a world leader in surgical, neurologic, and regenerative care. Integra revolutionized the field of regenerative medicine and offers a broad portfolio that includes the treatment of acute and chronic wounds, burns, as well as for plastic and reconstructive surgery.

Motiva® products are manufactured by Establishment Labs, a global medical technology company dedicated to improving women's health and wellness. The company's initial focus is breast health, principally breast aesthetics and reconstruction. The Motiva portfolio offers advanced and innovative solutions to breast surgery, designed to deliver improved aesthetic and clinical outcomes.

MTF Biologics is a global nonprofit organization that saves and heals lives by honoring donated gifts, serving patients and advancing science. For over 30 years, we have been dedicated to advancing patient outcomes by focusing on innovative, biologic solutions that support and enhance tissue healing. Today, we offer a comprehensive portfolio of aesthetic medicine solutions for providers and patients worldwide including FlexHD Acellular Dermal Matrix, Renuva Allograft Adipose Matrix, LipoGrafter Fat Transfer System, Profile Costal Cartilage and MESO BioMatrix Acellular Peritoneum Matrix.

Feel the difference
Soft and flexible in multiple directions.^{1,2}

GalaFLEX LITE™ Scaffold is now available in NEW XL sizes and shapes.

Meet us in
San Diego, CA
at Plastic Surgery the Meeting 2024,
September 26–29

INDICATIONS FOR USE: GalaFLEX LITE™ Scaffold is intended to reinforce soft tissue where weakness exists in patients undergoing plastic and reconstructive surgery, or for use in procedures involving soft tissue repair, such as the repair of fascial defects that require the addition of a reinforcing or bridging material to obtain the desired surgical result. **IMPORTANT SAFETY INFORMATION:** Possible complications following implantation of the GalaFLEX LITE™ Scaffold include infection, seroma, pain, scaffold migration, wound dehiscence, hemorrhage, adhesions, hematoma, inflammation, extrusion and recurrence of the soft tissue defect. In pre-clinical testing, the GalaFLEX™ Scaffold collection elicited a minimal tissue reaction characteristic of foreign body response to a substance. The tissue reaction resolved as the scaffold was resorbed. For complete prescribing information, including indications for use, warnings and precautions, consult the GalaFLEX LITE™ Scaffold. Instructions For Use. **REFERENCES:** 1. Preclinical data on file. Results may not correlate to clinical performance in humans. 2. Based on surgeon feedback.

Plastic Surgery The Meeting FAQs

Where do I get my badge?

You can pick up your badge and add additional special course registrations at the Registration area of the San Diego Convention Center. The dates and times are listed on page 30 of this brochure.

What's the best way to make a schedule of all the sessions I want to see?

Use the ASPS App! If you download the app to your phone, you can “favorite” sessions to build your own schedule. You can also look up speaker schedules and get real-time updates on any room or session changes. If you prefer to read on a big screen, you can also peruse all of the meeting sessions at PlasticSurgeryTheMeeting.com. Both the app and the website allow you to search and view sessions by topic area.

What do I wear to Plastic Surgery The Meeting?

Business casual attire is appropriate for the Annual Meeting. For events like the PSF and International Reception, people often dress more formally, but it is a mix. Please keep in mind that temperature fluctuation is common, so please dress in layered clothing that can be easily added or removed throughout the convention center or hotels.

What is the significance of all those ribbons on people's badges?

Ribbons identify an attendee's role at the Annual Meeting or their contribution to the Plastic Surgery Foundation (PSF) or the Political Action Committee (PAC). They also give special recognition to our leadership and honorary members.

What happens in the Exhibit Hall?

More than 3,200 attendees, including over 2,000 physicians, will meet and do business with 300 industry innovators, providing the products and services that support the plastic surgery specialty—all under one roof. More information on the Exhibit Hall, including hours and events, is available at PlasticSurgeryTheMeeting.com/Exhibit-Hall.

Should I go to the Opening Ceremonies and Welcome Reception

Yes. These and so many other free receptions and social opportunities truly make the meeting experience. Don't think you'll know anyone? This is your chance to make connections! You'll have the opportunity to talk with leaders in plastic surgery, international surgeons who may have never been to the United States before and colleagues practicing in all different situations around the country. These events are the perfect place to celebrate, connect, and reconnect with plastic surgery.

Registration Badges & On-Site Pickup

Pre-Registered Attendees

Express Check-In will be available at the San Diego Convention Center. Bring a copy of your registration confirmation to an Express Check-In kiosk for expedited service. All confirmations will include a barcode that will allow for easy scan-and-go access.

On-Site Registrants

Visit the On-Site Registration Desk at the San Diego Convention Center.
